

**REMARKS**

The claims have been amended to substitute references to "program control" with explicit references to manipulation of progression of program segments (*see* Application, p. 15, l. 34). As noted in the previous response, such a feature is not disclosed in the cited prior art. Examination of the claims as amended is respectfully requested.

**CONCLUSION**

In view of the foregoing, Applicants believe all claims now pending in this Application are in condition for allowance. The issuance of a formal Notice of Allowance at an early date is respectfully requested.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 303-571-4000.

Respectfully submitted,
